

**QUARTER 2, 2018  
WASH. DC/MARYLAND DOMESTIC AIR TRAVEL SUMMARY**

**Visitor Arrivals to Wash. DC/Maryland by Quarter**

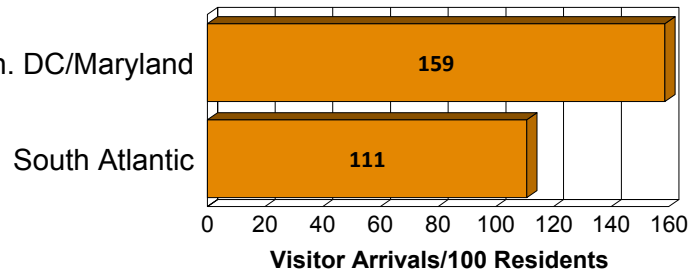

Passenger air travel represents an important source of visitation to most states and metropolitan areas. Visitors that travel by air tend to stay longer at their destination and spend more than other travelers. The summary of air travel data shown here provides an overview of the trends, seasonality and the relative importance of air travel. The specific origins where trips were initiated, competitive destinations and market penetration rates can be the focus of more detailed analyses.

**U.S. Domestic Air Arrivals to Wash. DC/Maryland and South Atlantic Census Division, 2017 (Millions)**

**Wash. DC/Maryland South Atlantic**  
 ■ Visitor Arrivals ■ Resident Arrivals

**Visitor Arrivals per 100 residents Wash. DC/Maryland and South Atlantic Census Division, 2017**

*The South Atlantic Division includes the states of Delaware, District of Columbia, Florida, Georgia, Maryland, North Carolina, South Carolina, Virginia and West Virginia.*

Findings are based on the Origin and Destination Survey of the U.S. Department of Transportation. This survey represents a 10 percent sample of the ticket itineraries of domestic passenger flights of U.S. air carriers.

More detailed analyses, including states and metropolitan areas, are available from Dean Runyan Associates, Inc.
