

**QUARTER 4, 2017
MASS./R.I./N. HAMP. DOMESTIC AIR TRAVEL SUMMARY**

Visitor Arrivals to Mass./R.I./N. Hamp. by Quarter

Passenger air travel represents an important source of visitation to most states and metropolitan areas. Visitors that travel by air tend to stay longer at their destination and spend more than other travelers. The summary of air travel data shown here provides an overview of the trends, seasonality and the relative importance of air travel. The specific origins where trips were initiated, competitive destinations and market penetration rates can be the focus of more detailed analyses.

U.S. Domestic Air Arrivals to Mass./R.I./N. Hamp. and New England Census Division, 2017 (Millions)

Mass./R.I./N. Hamp. New England
 ■ Visitor Arrivals ■ Resident Arrivals

Visitor Arrivals per 100 residents Mass./R.I./N. Hamp. and New England Census Division, 2017

The New England Division includes the states of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

Findings are based on the Origin and Destination Survey of the U.S. Department of Transportation. This survey represents a 10 percent sample of the ticket itineraries of domestic passenger flights of U.S. air carriers.

More detailed analyses, including states and metropolitan areas, are available from Dean Runyan Associates, Inc.
